

And There's More

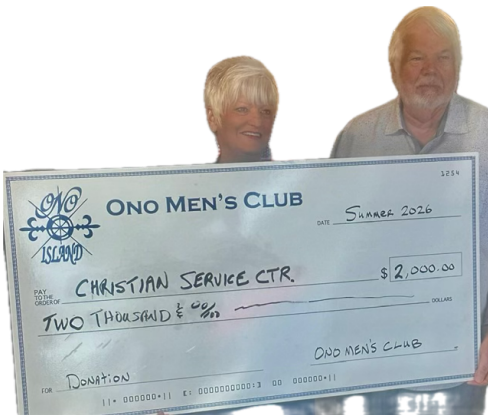

THANK YOU! Ron Jon Surf Shop for supporting CSC's summer backpack food program with a generous donation of \$3,500.

Orange Beach Church Administrator Charley Short presented a \$1,000 check for the purchase of back-to-school supplies to Janice Moss and Linda Chappelle. Many families were blessed by this generous donation toward having the basics to start the school year. Some of the supplies are pictured below.

State Representative Frances Holk Jones presented a generous donation to the Christian Service Center. We appreciate the blessing!

THANK YOU Ono Men's Club for your donation to assist those less fortunate in our communities.

Rodney Monroe

Thank You Rodney for your time, effort, and dedication to CSC. We will miss you.

Thanks to Our Lady of the Gulf Church for collecting food (sample seen here) for our Summer Backpack Program providing breakfast and lunch food, as well as snacks and fruit, for children when school is not in session.

CSC partnered with Feeding the Gulf Coast to supply an abundance of food including eggs, fresh produce, and lots of staples to local TSA workers who were not being paid during the partial government shutdown. Volunteers from Island Church joined us to help with this distribution. It was truly a blessing to serve this appreciative group of men and women.
